STANDARD TRIP INCLUDES FIVE FULL DAYS. FLY OUT THE SIXTH DAY!

★TRIP INCLUDES★

Flight in and out, completely equipped outpost cabin, all with hot and cold running water and showers, gas barbeque grills, boats with swivel seats, motors, including a spare motor, all gas, large scale maps.

(NOTE: We have sleeping bags available to use for those who fly into Int'l Falls, MN., and can't bring them with them.)

★YOU NEED TO BRING★

All you need to bring is your groceries, sleeping bags, dish towels, wash cloths, personal items (towels, pillows and soap), fishing gear, including life jacket, bait containers, bug spray, fish wrapping paper and landing nets. If you are flying into International Falls, Minnesota, via Northwest Airlines or any one in your party needs sleeping bags, life jackets, minnow buckets or landing nets we have them available for your convenience.

★NO HASSLE FOOD PACKAGE★

If you want us to supply the "no hassle" food package for your party we will do so at the nominal cost of only \$95/person. We will send you a grocery list with all the meats, vegetables, fruits and dry goods that we will supply, nothing more, nothing less.

If anyone in your party thinks they may need more of something you can bring it with you. For the anglers who fly commercially with Northwest Airlines into International Falls, MN, and the anglers who do not want to take the time to shop this is a great convenience.

★WEIGHT RESTRICTIONS★

Because of weight restrictions on the aircraft, you are allowed 80 lbs of gear/groceries per person including any canned beer or pop which weighs 18 lbs/ case. For those parties who show up with 81-140 lbs. of gear we will get it up to camp when possible at no charge. For those parties that show up with more than 140 lbs. of gear per person, we will fly it to your camp in our small airplane for a minimum charge of \$500. *Example – a party of 6 has 200 lbs. of gear per person – the excess 360 lbs. of gear will be flown to camp for \$500.*
